

Annual Fund donations are used to fund the creation of new exhibits, support ongoing education programs, give resources to historical projects, and allow us to provide free community events. Your gifts provide vitally important funds that allow us to promote and steward history for all of Idaho's citizens.

All of your contributions to the Idaho State Historical Society may be tax deductible and eligible for the Idaho Education tax credit (*please contact your tax advisor to see if you qualify*).

Help ensure that the history of Idaho endures and educates with a gift to the Historical Society. Questions? Please contact me by phone at (208) 514-2310, or by email at [ryan.gerulf@ishs.idaho.gov](mailto:ryan.gerulf@ishs.idaho.gov)

Thank you for your support!
