Mines-Owyhee	77-19.10 a,b	(Orofino). Taken 1866. Oro Fino Mine on War Eagle Mt. was discovered July 1863. Camp seems well established and it wasn't until summer of 1866 that a store and meat market were built. Also erected a house for the hurdy gurdies. By summer of 1866 Oro Fino employed 76 men and Oro Fino was established as a voting precinct.	Photo						

		<p>(Poorman).  Taken the summer or fall of 1867 or 1868. Poorman Mine discovered in fall of 1865 on War Eagle Mountain. However the mine in litigation fall and winter 1865-66. Not a great deal accomplished summer of 1866. From the size of the dump would think it 1867, before the boarding house built and dedicated fall of 1868.</p>

Morning Club	None Listed	Morning Clubhouse Completed		Clubhouses; Brickwork; Utility Poles; Streets; Sidewalks; mining					
Morning Club	71-12.222 f1	Morning Clubhouse during construction		Clubhouses; Building Construction; Construction workers; Brickwork; Utility poles; Barrels; Carts and wagons; Mining					
Morning Club-Interior Views	71-12.222 j1	interior of Morning Clubhouse with three men standing in auditorium.		Interiors; Stages (Platforms); Men; Pianos; Flags; Light fixtures; Mining					

Morning Club-Mullan	71-12.222 a2	Two construction workers at construction site of Morning Club		Building Construction; Construction workers; Lumber; Utility Poles; Wooden buildings; Mining					
Morning Club-Mullan	71-12.222 a1	Two construction workers at construction site of Morning Club		Building Construction; Construction workers; Lumber; Utility Poles; Wooden buildings; Mining					
Morning Club Office, Morning Mines	71-12.237-1	Men reading in the Morning Club office		Mining; Mine buildings; Miners; Offices; Office furniture					
Morning Club Office, Morning Mines	71-12.237-2	Men bowling at the Morning Club Bowling Alley.		Mine buildings, Miners, Wooden Buildings, Bowling Alleys, Bowling Balls					

Morning Dam-South Fork-High Water-Spring	71-12.36	rushing by Mullan mining community. Several houses are visible as are trees, electric lines and the mountains in the background. This river runs by the community.		Floods; Mining Camps;					
Morning Float at Elks Parade in Wallace.	71-12.220-2	Parade float and one man on the street. The float reads BPOE Morning. Other signs read Barnes, Circus, and June. Hills and dog in the background.		Floats (Parades); Automobiles; Mining equipment; Brickwork; Wooden buildings; Circus posters; Fraternal organizations					

Morning Hoist (Brake and Reverse Engine)	71-12.117 c	Miner operating brake and reverse engine. Close up of pipes, springs, bearings, valves. A mining employee is featured in the right side of the photo.		Miners; Mining equipment; Engines; Pipes (Conduits); Employees; Mining					
Morning Hoise (Clutch Engine)	71-12.117 a	Morning hoist clutch engine, gears		Mining equipment; Engines					
Morning Hotel	71-12.211-1	Morning Hotel		Hotels; Wooden buildings; Fire escapes; Mining					
Morning Hotel	71-12.211-4	Looking down on Morning Hotel and miners' homes from hillside.		Hotels; Wooden buildings; Dwellings; Railroad tracks; Utility poles; Electric lines; Mining					
Morning Mill- Panorama	71-12.71-4	Panoramic view of mill with buildings of Morning Fire Department and Office of Federal Mining and Smelting County		Mills; Mine buildings; Office buildings; Mining; Panoramic views					

Morning Mill- Panorama	71-12.71-1	Panoramic view of mill with mine buildings and tracks		Mills; Mine buildings; Mining					
Morning Mill- Panorama	71-12.71-2	Panoramic view of mill in foreground with mountains in background.		Mills; Mine buildings; Mining					
Morning Mill looking Northwest	71-12.57-1	Panoramic view of Morning Mill buildings, railroad cars, waste dump, log piles, mill yard		Mills; Mining Equipment; Ore industry; Engineering; Mining					
Morning Mill looking Southeast	71-12.118	Panoramic view of the mill buildings looking across the yard and valley		Mills; Yards; Sites; Panoramic views; Wooden buildings; Lumber; Railroad tracks					
Morning Mine, 800 Station	71-12.197-1	Inside the Morning Mine, with lights, pipes, ore cars, and two miners beside the ore car. 800 Level Station.		Miners; Mining Equipment; Mine railroads; Mine railroad cars					

Morning Mines, Page Mill	71-12.227-3	Aerial View Morning Mine and Page Mill. There is a multi- story mine building, power lines, trees, mountains in the distance.		Mining; Mine buildings; Wooden buildings; Electric lines; Utility Poles					
Morning Plant	71-12.194 a	Looking down on Morning Plant from nearby mountain. Mine tailings and sediment choked river.		Panoramic Views; Mine buildings; Dwellings; Tailings embankments; Mining					
Morning Yard	71-12.196 a	Panoramic view of Morning yard and valley beyond		Mine buildings; Tailings Embankments; Dwellings; Railroad Tracks; Mining					
Morning Yard	71-12.195-1	Panoramic view of Morning yard and valley beyond		Mine buildings; Tailings Embankments; Dwellings; Railroad Tracks; Mining					
Morning Yard	71-12.196 b-1	Panoramic view of Morning yard		Mine buildings; Tailings Embankments; Mining					

Morning-Telephoto from High Press Flume	71-12.49	Panoramic view of mill, equipment, buildings, valley, river and camp.		Mills; Panoramic Photographs; Mining equipment; Mining					
Morning-Outside Settling Tanks	71-12.127	Elevated wooden tanks, stacks of lumber, background mill building, rail car, workers		Mining Equipment; Lumber; Mills; Miners; Yards					
New Flotation Machines-Morning Mill	71-12.208 a-4	A bank of flotation cells, pipes, pulleys, belts, chains, light bulbs, lumber, worker		Mining Equipment; Industrial facilities; Processes and techniques; Wooden buildings; Miners; Mining					
News-Miner Building, Hailey, Idaho	78-156.87	News-Miner newspaper building.		Newspaper industry; Stores and Shops					
Office at Wardner-Engineers	71-12.83c-1	Group of mining engineers inside building		Engineers; Office buildings; Mining					

Office-Morning	71-12.143	Central Mining and Smelting office, 2 children, 3 men, toy wagons, dog, and horse		Office buildings; Smelters; Men; Children; Carts and Wagons; Horses; Dogs					
OK Team, Freight and Freightage	61-15.2	OK Team hauling a large boiler up grade to the Minnie Moore mine near Hailey, Idaho. Seven men are in this view guiding a mixed team of oxen and horses.		Shipping; Horse Teams; Horses; Mills; Mining equipment; Mining; Ox teams					
Old LandG Ore Cars-Morning	71-12.69	Mine buildings in background with ore cars on rails in foreground.		Mine railroad cars; Mining; Mine buildings					

Old mining city buildings	76-138.48	An unidentified city with Chinese miners sitting on a stoop outside of a wooden building. Several store fronts, and several old miners in the background. The sun is shining brightly.		Buildings; Wooden buildings; Mining					
One view of part of Morning Yard, showing foundations of oil and warehouses.	71-12.154b-1	Morning Yard with horse team and cart in background and FM? Mullan Office. Open bare ground in foreground.		Horse teams; Mine buildings; Office buildings; Mining; Wooden buildings; Railroad cars					
Pack Transportation Burros	63-194.39	Burros hauling mine timbers into Roosevelt, Idaho and the mines at Thunder Mountain.		Transportation; Donkeys; Mining; Lumber; Logs					

Page Mine	71-12.63	Mine buildings showing saw mill operation in foreground.		Mining; Mine buildings					
Page Mine (Boarding and Bunk House)	71-12.217	Looking down on boarding and bunk house and parked cars.		Lodging houses; Automobiles; Railroad tracks; Mine railroad cars; Logs; Mine buildings; Headframes (Mining); Mining					
Page Mine Plant	71-12.218	Wooden buildings with four men sitting on porch.		Wooden buildings; Men; Automobiles; Mining					
Pioneers, Atlanta, Idaho	73-129.2	Group of three women and two men posed with shovels against pile of loose earth. Only one person is looking toward the camera.		Mining; Miners; Women; Frontier and Pioneer Life; Clothing and Dress; Shovels; Hats					

Pioneers, Hailey, Idaho	78-156.88	Unidentified family with covered wagon. Four women, two children, and two men are in this photo. Four horses are hitched to the wagon.		Pioneers; Frontier and Pioneer life; Horses; Covered Wagons; Clothing and Dress; Children					
Pioneers, Silver City, Idaho	60-139.16	Twelve women posed on a porch. They appear to be part of an organization or club as several are wearing similar jackets- perhaps to indicate rank within the organization- and ornamental pins. Three of the women are identified as Julie Allen, Maud Lewis (Carruthers) and Alice Townsend.		Mining; Women; Clothing and Dress; Jewelry; Hairstyles; Plant containers; Wooden buildings; Eyeglasses					

Pioneers, Silver City, Idaho	60-139.25	Upper row: 1. Helen Murphy Blackinger (left), 2. Fred Irwin, Mgr. Idaho-Pittsburg later Trade Dollar Mine, 3. Permeal French, later Dean of Women, University of Idaho. Lower row: 1. R.H. Britt, Mgr. Poorman Mine.		Pioneers; Women; Women's Education; Mining Camps; Mining; Miners; Chairs; Clothing and Dress					
Pioneers, Silver City, Idaho	60-139.12	"The Children"- four young children, July 1895. The children and a dog are sitting on a rock pile.		Pioneers; Children; Children's clothing and Dress; Mining camps					

Pioneers, Thunder Mountain, Idaho	60-73.17	A group of Idaho pioneer men and women posed for posterity outside a cabin. A fine selection of men and womens fashions and accessories are represented.		Pioneers; Frontier and Pioneer life; Women; Wooden buildings; Clothing and dress; Dogs; Men					
Pool Hall, Morning Club, Morning Mines	71-12.237-3	Three men playing pool at Morning Club Pool Hall		Mine buildings; Miners; Wooden Buildings; Billiard Parlors; Billiard Rooms; Billiard Balls; Phonographs; Light Fixtures; Mining					
Public Buildings (Courthouse), Rocky Bar	81-31.2	Courthouse at Rocky Bar, Idaho 1866 or 1867.		Courthouses; Mining Camps; Wooden Buildings					

<p>Quartzburg Hotel, Quartzburg, Idaho</p>	<p>Si 62-20.28300b</p>	<p>Quartzburg Hotel and boarding house, owned by Mr. and Mrs. Dan Carrol of Quartzburg. From the Sigler Collection "copied for Mrs. Geo. McDonough." See second page for key of names in photo. Identification by Mrs. W.C. Brassey of Boise, October 1965.</p>		<p>Mining; Frontier and Pioneer Life; City and Town life</p>
