

IDAHO IS TURNING 150!

Help us find 150 things that make our state unique!

What are the things everyone should know about Idaho? As part of the commemoration of Idaho Territory's sesquicentennial, we are developing an exhibit on the 150 things that make our state the place it is. And we need your help. Nominate the people, places, things, and events that you think make us who we are. Your nomination could be featured in "Essential Idaho: 150 Things that Make the Gem State Unique," an exhibit at the Idaho State Historical Museum. Entries must be postmarked or emailed by January 31, 2012.
