

# “National to Local”

Creating a California topic from a National topic

**Objective:** Think about how nationally reaching issues could be focused to a local Minnesota topic.

**Directions:** For each national topic, choose each a person, an idea, and an event that can be considered in Taking a Stand in California History.

**Example:**

*National issue*

*Local Topic*

**Environmental** →

Person: Theodore Wirth’s explored efforts to preserve land for local parks in Minneapolis.

Idea: Rivers and Harbors Act of 1899 sparks lawsuit against Reserve Mining Company to clean up taconite waste .

Event: Power line Protests
