

The Idaho State Historical Records Advisory Board (Idaho SHRAB) provides grants to support projects that preserve and increase online access to Idaho's historical records; develops and promotes archival and records management best practices; and supports work that connects people to primary sources in their communities and online.

For more information about the grant process and assistance with the application, contact David Matte, Idaho SHRAB Coordinator, david.matte@ishs.idaho.gov or (208) 514-2328. **Application deadline is July 30, 2021.**

Maximum Funding Request: \$3,000. A dollar for dollar match of the funds is required. (Match can be in the form of cash or in-kind.)

Matching Funds Requirement

Idaho SHRAB requires a dollar for dollar match from all grant recipients. Example: if an organization receives a grant for \$1,000, the match requirement is \$1,000. Additional match can be provided by the grant recipients if available and is very much appreciated by Idaho SHRAB.

Match may be in the form of in-kind or cash. In-kind match is the market value of contributed labor, services or supplies. The calculation used for contributed labor is the current value for Idaho, as set by the IndependentSector.org, at \$22.14 per hour. The calculation used for services or supplies is the actual value of those items. An example of cash match is organization receives a \$1,000 grant for a preservation project totaling \$2,000. The organization invests \$1,000 towards project, which can be counted as cash match.
