Preserving the past, enriching the future.

**Idaho State Museum:** The museum illuminates Idaho's history through its anchor exhibition: *Idaho The Land and Its People*. Opportunities for learning include: school field trips, traveling trunks, special changing exhibitions, National History Day in Idaho, and Pioneer Village Interpretive Garden. The museum experience includes facility rentals, M Store, lecture series, workshops, and community events. The museum serves over 60,000 visitors and students annually.

**Old Idaho Penitentiary:** The Old Idaho Penitentiary dates to 1872 and explores Idaho's social justice history through historic prison buildings such as the *The Women's Ward* and exhibitions including *Faces of the Idaho State Penitentiary*. Opportunities for learning include: special events, school field trips, 30 historic buildings, programs, and special exhibits such as the J. Curtis Earl Memorial Exhibit. The Old Pen experience also includes the *Behind Gray Walls* pod cast, Frighten Felons annual Halloween event, and the Old Idaho Penitentiary Store. The Old Pen serves over 75,000 visitors and students annually.

**Idaho State Archives and State Records Center:** Provides information and understanding about Idaho history through access to essential government records and documents including: newspapers, books, periodicals, oral histories, military records, maps, blueprints, photographs, microfilm/fiche, digital assets, and business and organizational records. Opportunities for learning include school tours, and its anchor exhibition, *A. Lincoln His Legacy in Idaho Exhibition*, the largest collection of Lincoln materials on exhibit west of the Mississippi. The State Records Center provides records management services to 36 agencies within state government and serves over 4,000 requests annually.

**State Historic Preservation Office:** Fulfills the mandates of the National Historic Preservation Act including the National Register of Historic Places, Certified Local Government grants, Federal Historic Tax Credits, and Section 106 Review and Compliance. Oversees the Archaeological Survey of Idaho and its western repository and manages information about Idaho's archaeological and historic sites.

Manages and provides access to approximately 173,000 cultural resource-related documents, including survey reports, site and project review files. Opportunities for learning include: Archaeology and Historic Preservation Month and Archaeological Field Schools.

**Agency Administration:** Governance, statewide outreach, finance and grants administration, human resource management, information technology, fundraising, marketing and communications, maintenance and operations, and office of the State Historian.
