

Thank you for volunteering as a chaperone at the Idaho State Museum!
You play a fun and important role in your student's visit.

YOUR ROLE...

Ensure students are supervised at all times – your group must stay together!

Help students interact with exhibits and other people gently and respectfully.

Only one group from your school should be in each gallery at a time due to space restrictions.

No food, drink, gum, or backpacks are allowed in the exhibits.

No more than 10 students allowed in the M Store at a time with chaperone supervision.

If you or your students have questions or need help, please ask an educator or a member of our visitor services team.

USING OUR SENSES AT THE IDAHO STATE MUSEUM

TOUCH

- ✓ Touch the interactive stream in **Origins**.
- ✓ Feel black bear fur and the bighorn sheep horn in **Origins**.
- ✓ Spin the postcards in **North Idaho**.
