

## Idaho Historic Preservation Professional Consultants List

The following list is provided by the Idaho State Historic Preservation Office (SHPO) as a reference for property owners, local, state and federal agencies in Idaho, and other interested parties, who are seeking professional consultants with expertise in the varied fields of historic preservation. Consultants included on this list have provided documentation that shows that they meet the minimum qualifications as defined by the Department of the Interior, *Secretary of the Interior's Historic Preservation Professional Qualification Standards: Federal Register Vol. 62, No. 119, p. 33719, 1997 (36 CFR part 61)*.

**This list is not an endorsement or recommendation, nor an assumption of responsibility for the quality of work of any consultant. The Idaho SHPO does not guarantee that work produced by a hired consultant will meet the federal or state standards and requirements.**

The historic preservation consultants included here are listed by professional category as defined by the Secretary of the Interior, which are:

- |                           |                                   |
|---------------------------|-----------------------------------|
| ♣ Prehistoric Archaeology | ◇ Folklore                        |
| ♣ Historic Archaeology    | △ Historic Architecture           |
| ▲ Architectural History   | ○ Historic Landscape Architecture |
| ∞ Conservation            | □ Historic Preservation Planning  |
| ⊙ Cultural Anthropology   | ■ Historic Preservation           |
| ▣ Curation                | ◆ History                         |
| ▪ Engineering             |                                   |

While we encourage the hiring of appropriately-qualified professionals, there is no statutory requirement that mandates it. No one is restricted to only hiring a professional from a specific category, nor from hiring someone who does not appear on this list. As with any professional service, users may want to contact multiple consultants and seek references before hiring any historic preservation consultant.

Companies or individuals who would like to be included in the *Idaho Historic Preservation Professional Consultants List* should contact [shpo@ishs.idaho.gov](mailto:shpo@ishs.idaho.gov). For more information check out our website: <http://www.history.idaho.gov/section-106/>
