## How To Register For Your Local NHD Contest

### BEFORE YOU BEGIN

#### Teachers Register First

**Teachers must register BEFORE their students can register.** When students register, they will select you from a list of registered teachers.

#### Choose the Correct Contest

The first contest is at the regional level. Regions are divided by county. If you aren't sure which contest to choose, contact [NHDIdaho@ishs.idaho.gov](mailto:NHDIdaho@ishs.idaho.gov).

#### Email Addresses

Teachers and students need to provide a working email address that will accept mail from [zairs.com](https://zairs.com). **If your school blocks student accounts from receiving outside email** have your students provide a personal or parent's email (gmail, etc.) that is checked regularly. Users may put the same email address in all email fields, and parents with more than one child participating can use the same email for all children.

#### Your NHD Account Lasts All Year

You will only create one NHD Teacher Account for the entire year. If you are returning from last year, you need to create a new account. You will use the **SAME TEACHER LOGIN** for each contest as your students advance through local, regional, state, and national levels. **Save your username and password** so you can easily access and update your information. **Do not open additional accounts.**

Contact [NHDIdaho@ishs.idaho.gov](mailto:NHDIdaho@ishs.idaho.gov) with questions!

## Your MY STUDENTS List

You can view your students' registration status and edit their information using your **My Students** list. You'll find this in your NHD Teacher Account. A thumbs-up next to a student's name means they have completed their registration. You can edit student and project information, and link or unlink students from an entry.
